

WalletVibe Features & Subscription Tiers

Compare Free Trial, WalletVibe Pro, and WalletVibe Ultra (Automated Bank Sync)

- **Automatic Bank Transaction Sync (Ultra)**
Link your bank once via RBI-regulated Account Aggregator (Setu AA). Transactions automatically appear in your ledger with zero password or credential storage.
- **AI-Powered PDF & Image Statement Import**
Upload bank statement PDFs, images, or receipts — Gemini AI automatically extracts dates, debits, credits, and descriptions with 1-click import.
- **Unlimited Ledger Transactions**
Record, tag, and organize as many incomes, expenses, and lend/borrow records as you need with zero record caps.
- **Interactive Financial Analytics & Reports**
Visualize cash flows dynamically with category pie charts, monthly trends, and export statements in PDF or Excel formats.
- **Inline Bank History Search**
Dedicated Bank History tab lets you search and filter imported & auto-synced bank transactions by date, bank name, or remarks in real-time.
- **Real-Time Cloud Synchronization & Offline PWA**
Sync your digital wallet safely across desktop, mobile, and tablets. Fully functional offline with auto-sync when connection restores.
